

ON PURPOSE FOR A PURPOSE

HOW HAS GOD UNIQUELY DESIGNED YOU AND FOR WHAT REASON?

Week 4: Personality

Discussion Overview: Over the past few weeks we have been talking about how God has uniquely designed you for a specific purpose. One of the ways God has uniquely created you is that He has given you a specific personality. No one else has the same personality as you, but there are some commonalities amongst personalities that are helpful to understand because they help us love and interact with people who have different personalities than we do. As Jesus followers, we are called to love others and to be unified as a body of Christ and learning about these personalities can help us towards that goal.
