Special Notes:

1) PLEASE MARK ALL CLOTHING WITH YOUR INITIALS WITH PERMANENT INK. WE DO LAUNDRY ALL TOGETHER. Laundry will be done at least every 10 days – please bring a laundry bag. We will supply detergent, so you don't need to bring that!

2) Remember that whatever you buy during the summer must fit into your luggage along with what you already have.

3) We will not stock medical supplies such as aspirin, cold medicines, hygiene supplies, or personal medication. Please bring these items if needed.

4) Remember you are on a ministry team. You will wear your clothes hard. Now is not the time to break out the “best, most fashionable, expensive” outfits. Looser fitting t-shirts (like what you might wear at a sports camp) with longer shorts or jeans is a typical outfit when not wearing matching “team shirts”. ***(note – please watch length of shorts as well as tightness of fit – adult leaders reserve the right to ask you not to wear a particular item if it is too short, tight, or low-cut – keep in mind that we are ministering and serving those we come in contact with!)***

All Teams - Regarding Housing:

Pacific: While the Pacific team will sleep in dorm bunk beds some of the time, be prepared that you may be on the floor some as well.

Worship & Children's: Both specialty teams should be prepared to sleep on the floor. A small cot or blow-up mattress may work, as long as it can be easily folded up/stored and doesn't take up a lot of space. *(While we will have a home base much of the time in Ohio, we will be traveling to Indiana and need everything easy to move, small & portable. A sleeping pad may be a better option)*

Worship Specialty:

- **Everyone** - In ears. All need their own pair of these!
- **Drummer:** extra sticks. Enough for 2 weeks
- **Guitar players:** extra set of strings, picks, pedals, and amp; If using an acoustic guitar, it needs a pick up in it so it can be plugged into a sound system.

At the end of the Worship tour, you will be at Momentum Youth Conference. You may find that you want some different items specific for that week – rather than taking them at the beginning of your worship team tour and using valuable space, you may wish to ask someone else who is going to youth conference to bring some items to you there.
